

PLAYER SPONSORSHIP 24/25

Sponsor a CIYMS Player and help contribute to the future success of our Club!

BACKGROUND

Player sponsorship is the perfect way to show your support for a member of our Senior Squad as we reinvigorate our club for the 2024/25 season.

With new leadership and new players already on board, we are totally committed to rebuilding our great club with its rich history of community engagement, family values and integration with the local schools. Join us as we make CIYMS great again – building a strong team ethos and encouraging the local youth population to pursue their sporting goals in a safe and secure environment.

FEATURES OF SPONSORSHIP

- For £380 per annum, you are investing in the future success of the Club in a truly meaningful way
- You will see your business' name or logo appearing alongside your chosen player within the matchday team sheet
- Your business will be referenced on all social media updates
- You will be invited to corporate lunches and future networking events to profile your business

BENEFITS OF SPONSORSHIP

- Cover the player's membership fee
- Includes player's club gym membership to our newly refurbished Black Box gym, to encourage and promote fitness and conditioning throughout the season
- Covers kit, physiotherapy, and player insurance

At CIYMS we have access to unparalleled state of the art facilities, a range of sporting clubs, and a social network which builds friendships and corporate connections for life. Our young members need our encouragement to avail of all these facilities and more, and to return to the club with their families in the future. At a time of rapidly escalating costs in every organisation – sporting or commercial – we must find more innovative ways to support our club, our players and our involvement in the local community.

SUPPORTING THE CHARITABLE TRUST

As a key part of this initiative CI will be using 10% from every sponsorship fund to contribute to the IRFU Charitable Trust. The Trust assists severely injured players and is currently supporting over 30 former players. The Trust has been a great help to several seriously injured CI players, and we are proud to be able to give something back.
